

Burlington Pet Adoption Center

Adoption Fees

Dogs - \$80

Cats - \$60

Fees include spay/neuter surgery, heartworm test (dogs only—6 months and older), initial Pyrantel deworming treatment, 1-year rabies vaccination, Bordetella and DHLPP vaccinations for dogs, and FVRCP vaccination for cats.

We always recommend that you follow up with your veterinarian within a few days of adopting an animal.

You must be 21 years of age to adopt.

Please check out our animals at:
